Use Boundary and Rights Notice

Commercial Facilitator and Legal-Ops Guide is educational material within the Distinct Character ecosystem. It is designed for commercial planning, framework clarification, offer architecture, and licensing preparation. It is not legal advice, financial advice, tax advice, clinical treatment, or a substitute for qualified professional review.

Commercial use decisions, pricing, licensing, contract terms, trademark filings, tax treatment, and client-facing claims should be reviewed by an attorney, CPA, qualified compliance professional, or other appropriate advisor before publication or sale.

No part of this document may be copied, resold, sublicensed, repackaged, trained into automated systems, or distributed outside the purchaser's authorized access without written permission from the rights holder.

Asset ID	DC-P08-EIP-ADV01
Use	Commercial incubation, IP structuring, offer design, licensing preparation
Audience	Enterprise IP Mastermind client unless otherwise marked
Review Boundary	Attorney, CPA, legal-ops, compliance, or qualified advisor review required before implementation

Advisor Layer Purpose

This guide supports the gated advisor layer for Enterprise IP Mastermind. It is not a replacement for legal counsel, tax counsel, clinical supervision, or compliance review. It helps facilitators keep the commercial incubation process structured, bounded, and review-ready.

Advisor Operating Rule

The advisor helps the client organize decisions. The advisor does not promise legal enforceability, clinical outcomes, tax treatment, revenue performance, or regulatory compliance.

Review Gates

Gate	Advisor Checks	Escalation Trigger
Readiness Gate	Buyer, outcome, scope, exclusion criteria, support capacity.	Confused buyer, inflated outcome, unresolved clinical or legal claims.
IP Control Gate	Ownership language, attribution, modification limits, derivative use.	Trademark, copyright, licensing, or third-party IP uncertainty.
Offer Gate	Deliverables, support boundaries, timeline, refund boundary, access terms.	Ambiguous support, unlimited access, unclear payment terms.
Claims Gate	Sales language, evidence, disclaimers, scope boundary.	Guarantees, diagnosis, treatment, financial promise, legal advice.
Launch Gate	Go, revise, protect, or hold decision.	Any unresolved legal, tax, clinical, or compliance issue.

Advisor Session Structure

Segment	Function	Facilitator Action
Opening	Confirm scope and current decision.	Name the asset, decision point, and review boundary.
Evidence Review	Separate confidence from documented structure.	Ask for artifacts, definitions, examples, and buyer data.
Architecture Review	Test repeatability and delivery logic.	Map steps, tools, and completion evidence.
Risk Review	Identify claims and implementation exposure.	Route legal, financial, clinical, or compliance questions.
Decision Capture	Record next step.	Mark go, revise, protect, hold, or professional review required.

Professional Review Routing

Issue	Route To	Do Not Proceed Until
-------	----------	----------------------

License language, rights transfer, white-label use, enforcement.	Attorney.	Terms are reviewed or drafted.
Revenue projections, tax treatment, royalties, contractor classification.	CPA or qualified tax professional.	Financial assumptions are reviewed.
Clinical claims, trauma claims, therapeutic positioning.	Licensed clinician or clinical supervisor.	Scope and disclosures are reviewed.
Data collection, client records, privacy, platform access.	Privacy or compliance professional.	Data handling and consent language are reviewed.
Trademark, brand names, proprietary terminology.	IP attorney.	Clearance and registration strategy are reviewed.
